Web Announcement 2630

Attention Provider Type 64 (Hospice):

Federal Fiscal Year (FFY) 2022 Annual Rates Update

The annual rates update for Federal Fiscal Year (FFY) 2022 for provider type 64 (Hospice) has been entered in the Medicaid Management Information System (MMIS). The rates update is effective on claims with dates of service on or after October 1, 2021, and with revenue codes 0551, 0650, 0651, 0652, 0655 and 0656.

Claims submitted by PT 64 with dates of service on or after October 1, 2021, through November 8, 2021, that paid the FFY 2021 rates will be automatically reprocessed to pay the FFY 2022 rates. A future web announcement will notify providers when the claims are reprocessed.

When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
